(CONSULTING SERVICES: INDIVIDUAL CONSULTANT SELECTION)

Name of Project	Improving Results in Secondary Education (IRISE) Project
Project ID	P164932
Grant ID	D5030-LR
Assignment Title	Selection of National Procurement Specialist
Reference No.	<u>LR-MOE-295706-CS-INDV</u>

1. Introduction

The Government of Liberia has received a grant equivalent to USD 47 million from the International Development Association (IDA) to implement the Improving Results in Secondary Education (IRISE) Project, hereinafter “the Project”. The Project duration is four years. The Ministry of Education (MoE) is the IRISE implementation agency responsible for project execution and results monitoring. The implementation is overseen by the Ministry’s Senior Management Team (SMT). The Ministry of Education intends to apply a portion of these funds to hire a National Procurement Specialist (NPS) for the Improving Results in Secondary Education Project.

2. Background

The IRISE Project recruited an International Procurement Specialist(IPS) for an initial one-year duration. The IPS contract was subsequently amended for an additional one year and 4 months. Given there are still critical procurements that would go beyond the expiry of the IPS contract, the IRISE Project intends to hire a qualified NPS who will work under the IPS and assume the rest of the IRISE procurement upon the exit of the IPS.

3. Objectives of the assignment

The objective of the assignment is to work with the International Procurement Specialist (IPS) to manage all procurement activities **of the IRISE** Project, and to work with the Procurement Officer seconded to the IRISE Project upon the exit of the IPS (see paragraph below) in adherence with the World Bank Procurement Regulations for IPF Borrowers July 2016, Revised November 2017, August 2018 and Fourth Edition, November 2020, including the planning, implementation and supervision of all procurement operations under the IRISE Project, and continue to develop procurement capacity of the MoE Procurement Unit.
